

Municipal Building, Harrow, Ontario, Canada.—2.

hello Jacks. Hope all goes well  
in Kansas City.  
ma thought it would be less  
confusing if we stayed out  
here until you got settled  
& then when you came out  
we could go in  
hope you all had a nice  
time & were able to  
take the heat. I  
It's lovely here tonight
